LONDON EARLS COURT

INNOVATIVE MODULAR SPACE

THE EXPERIENCE OF SPACE

The London Suite is one of the most versatile large-scale conference and event venues in West London.

The main London Suite provides formidable flexibility enabling planners to choose from over 30 floor plans to suit events up to 1200 guests.

This impressive pillar-free hall is also fitted with state-of-the-art technologies and stylish contemporary decor, perfect to create the most engaging set up designed for your audience.

The high ceiling will permit the most ambitious production combined with in-built LED lighting to fashion various mood or dramatic sets.

With a newly refurbished 4-star hotel featuring 508 guestrooms on site, The London Suite provides a seamless experience for both organizers and guests.

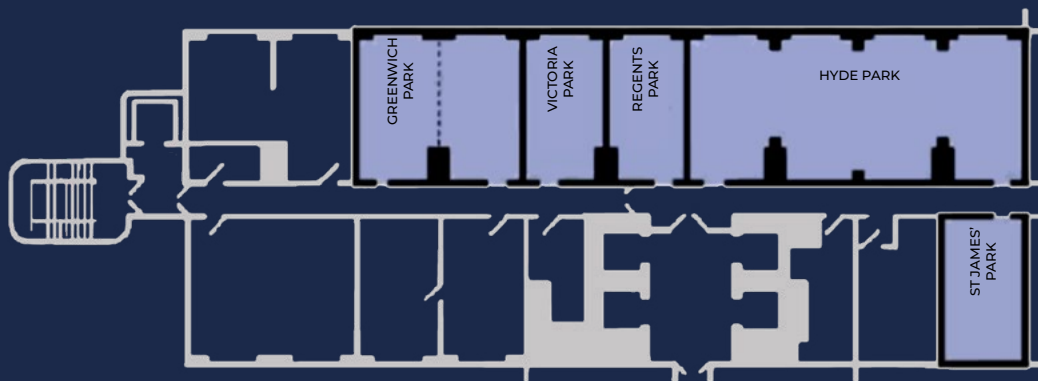

- 1,200m² of space
- AV & rigging points
- Wireless projection
- Private loading bay
- 5m ceiling height
- Bespoke catering packages (upon request)

SPACES TO MEET

On our 2nd floor, newly refurbished guestrooms and Mercure meeting rooms meet.

This is great for breakout sessions from events on the ground floor and gives smaller residential groups the opportunity to book the meeting rooms and 2nd floor guestrooms- providing the exclusivity, privacy and security for high-profile sports team, entertainment tours and VIP clients.

The diverse portfolio of London Suite meeting and breakout spaces along with hotel bedrooms on the 2nd floor provides an ideal self-contained solution for residential seminars for 30 to 50 people.
